MEGAN

In the old days a female co-worker might, if you bought her enough halves at the Dog and Duck, take you into the stationery cupboard for a cock-check during the afternoon lull. Nowadays no lager needed – girls are blooming shameless! Like new girl Megan, who we get in on a zero hours contract to help with the post. And that's not the only way she gets banged. "The security guy fucked me in all three holes on the editor's desk!" admits the 18-year-old.

Park lark

Crazily horny, one night at dusk my husband and I took a stroll in the park. Walking amongst the trees, I was already really randy. My juices were flowing and my nipples became hard and erect. My husband knew I had the horn, without me saying a word.

We started kissing and soon got into some really heavy petting. I unzipped his

MADELINE, BUCKS

and fingering my wide, wet pussy.

It was a big thrill because a lot of people used the park for walking and we were in danger of being caught in the act.

We couldn't stop. My husband thrust his big warm cock into my wet pussy. I was begging for him to fuck me harder, telling him I wanted more cock.

After a while I pulled away so I could lick my juices off his soaked cock and balls. "Bring that

pussy up here!" he said, so I sat on his face.

I came all over his face and into his mouth.

Then I licked my juices off his chin. He bent me over and slammed his meaty cock up me again, fucking me even harder than before.

Finally he came like thunder. It was amazing sex, all the better for the risk of being caught.

Anyone who is interested in fucking me in front of my husband, please contact me!

Madeleine, Bucks.

I know all girls are pretty wet around the pussy by the time they orgasm, but you wouldn't believe this girl I know, Kelly.

It was my wife, Tamsin, who "discovered" her - Tam's bi and if she wants a fling with another woman, I'm not going to stop her. Whether or not I get involved is down to the other girl - some are out-and-out lezzies, but now and again it happens.

I'd never seen Tam as excited as when she came

jeans and got his cock out. It was rock hard. I took my tongue to his big shaft.

He thrust his cock in and out of my mouth until I could taste his pre-cum on my tongue. He was sucking my big soft tits

home on the Saturday after copping off with Kelly the night before. "She's coming round to ours tonight," she said. She seemed to be bursting to tell me something, but when I asked she said I'd find out later.

Kelly was pretty enough - quite small but curvy with reddish-blond hair and a few cute freckles on her

all horny and smirking, and I moved in to give her a kiss, so I could taste those sticky juices for myself.

Kelly seemed happy for me to lap some up straight from her twat – in fact when I went to pull away, she pressed her thighs against my head, encouraging me to carry on.

My prick was as hard as a stick of rock, and Tam slithered under my crouching body to suck it. As I tongue-fucked her bi-friend, fingering her clit, she had her lips wrapped around my helmet. Kelly had already cum once, so it was taking me a bit

harder, horny with anticipation, as we realised Kelly was getting close. She says my cock was twitching in her mouth, so her sucks became a little stronger. Now don't get me wrong – when it comes to being my perfect fuck, no one even comes close to Tam. But I've never felt anything in my life like what I

felt when Kelly came.

As I clamped my mouth over her pussy-hole, little spurts of cum-juices pumped out over my tongue – at the very second Tam was sucking my own load down her throat. A bit weird, perhaps, but the most fucking incredible sexual experience of my life.

Tam's tried to see if she can cum like this. So far she hasn't, so maybe a girl just "squirts" or doesn't.

All I can say is I hope every bloke gets to experience this sort of thing at least once in his life – it's just fucking incredible.

point I was on the sidelines, just watching. I also noticed what Tam was doing to Kelly – licking and sucking on her clit, but instead of having three fingers jammed up her snatch, she just had the one, hooking it around to rub her G-spot.

A few minutes of this soon got Kelly close to cumming – her body was trembling so her plump tits quivered – then Tam told me to watch as she switched to using her free hand on Kelly's clit, the other finger just tickling away inside her.

Her face was still just a few inches away from Kelly's cunt, though, and I wouldn't have believed what happened next if I hadn't seen it.

As she came, Kelly's pussy tightened, squirting a load of juices out over Tam's face in three or four little jets. It's the sort of thing you read about and think is bullshit, and then suddenly it happens right in front of your eyes! In your eyes, in fact!

Tam turned to look at me,

longer to get her to the brink, but Tam was happy to string things out, toying with my balls.

Dear Julia

Tina was so excited to see her pics in *Escort* (vol 35 no 2) so we took some more pics this weekend – including a few with your magazines that you may like. Jane would really love to be Star Wife and the thought that guys may be jerking off looking at her pics makes her incredibly wet and horny. Hope you like these pics too and can publish them. We also plan to do more outdoor location shots when the weather warms up a bit. M., Manchester.

Julia says: Thanks for your pics. We've not heard a better reason to pray for spring to come!

DEAR JULIA

Minnie's hairy pocket. A great looking horny girl next door with a thatch to match, isn't she? I once had an amazing sexual experience when me and my pals had sex with a barmaid after closing time over a pool table. She was nowhere near as hot as Minnie, but she let me pot her brown. What a result! More bushes please! Salman, Birmingham.

Dear Julia

I was alone on Valentine's Day, as I broke up with my girlfriend, but I felt that I'd had the most amazing date with your cover girls Kitten and Carley. Pass on my thanks to them for giving all the single lads out here a taste of true blue romance! I ruined two mags and had to go and buy a third from the all-night garage! Still cheaper than a rose though! Jay, Watford.

Julia says: Sounds like the amount of wanking you managed, you could call it a blind date!

GOOD FUCK

I'm not superstitious, but one morning, reading the paper on the train to work, my horoscope said I should wear red for luck at the weekend. I didn't take it seriously but I thought what the hell, what harm could it do if I gave it a go? So, I treated myself to a red top and also a tartier shade of lippie than I'd normally go for – the perfect match!

Maybe it was just the power of suggestion, but that Friday night my mates already thought I'd got lucky – I had a 'just-fucked afterglow' one of them

reckoned! And the blokes picked up on it as well – it wasn't often I got chatted up on a night out at our local pub, but I had lads all over me.

I just had fun with it at first, let them buy me a few drinks. Then, later on, I copped off with this lad called Tom – he was just the type I'd always fancied.

I took my chance when he nipped outside for a ciggie – I followed him and had a puff myself. He said I looked so sexy with my red lips pouting around the filter, then blowing out the smoke. Then

he went and ruined my perfectly applied make-up by giving me a big snog.

It ended up smudged all round his mouth, too, and he said maybe we'd better go straight back to his, just around the corner. In his living room, I walked over to the mirror and went to clean my face up a bit, but he said to leave it as it was – obviously, it added more to my "just-shagged" look!

So I just slathered on more lippie, loads more than usual, letting him see me rub it over my mouth. Then I shoved him

backwards into an armchair, undid his jeans and started playing with his dick.

I teased him at first, just opening my mouth around it but not quite sucking. Then I just took it deep, sealed my lips around it and pulled back, streaking it with scarlet and leaving a ring of it under his helmet.

Tom groaned – my cue to give him the sucking of his life. He had his eyes shut, lost in the sensation, so I paused, making him look down at me. I fixed my eyes on his and sucked again, and kept looking at

him. He was getting stuck in too, fondling his own balls, working them against my chin. Then, sensing he was really close as they tightened up, I gave him one final full-shaft sucking, letting him slide back out the second I tasted the first drops, right at the back of my tongue.

I didn't take it in the mouth or on the face, I used his dick like a giant lipstick, glossing my pout with the jizz cumming out of the tip. And all the while I kept looking up at him, which only got it pumping harder.

I had my fun with Tom – he was sexy as hell, but we didn't really click, so when he didn't call again I wasn't that bothered. But, the following week, I decided to see if my red top and lippie combo would do the trick again.

Well, I got doubly lucky that night – maybe it was the red undies I'd treated myself to, too. I went out clubbing and a bloke asked me to dance, and as we got

SPENDING SPRAY

My girlfriend Jess was fantastic while I was training for my job, so when I got my first pay packet I fulfilled a fantasy – passing her a wad of cash and telling her to go out shopping and buy herself something nice! It was just a bit of fun, but she still had her spending spree.

I got the hint, but first I made her roll over on her front – if she wanted me to be the boss we were doing this my way. First I bound her wrists, tight enough but not too tight, then moved to her ankles, splaying them even wider than she had them. She's got

her, reaching under to give her tits a fondle. My cock was already stiff, but I wasn't ready to use it on her yet – instead I just put it along the furrow of her arse cheeks, so my balls were resting against her labia.

I was literally all over her, nuzzling her hair and nibbling her neck, blowing warm and cool air into her ears, which has the same effect on her as tickling does on most

MY PRICK TOUCHED MY FINGERS IN HER ARSE THROUGH HER FLESHY DIVIDING WALL

She came back with a pair of sexy boots – calf-high leather with high heels. Very sexy, especially when naked!

Then she said she'd bought a little something else with the change: four red silk scarves that couldn't have cost more than a quid a pop. "Why you giving me these?" I said, taking them out of the paper bag. She just sighed then lay back on the bed, arms and legs stretched out to the corners.

a thick, dark bush kept neat and trimmed, and it framed her juicy pink pussy. But I still reckon one of her best features is her bum, and it looked so peachy with her in

that position.

I decided to tease her, so that when we did fuck she'd be all the more desperate for my cock.

I stretched out on top of

**CONTACT
ME**

people. She was wriggling underneath me, but my cock wasn't going inside her until I was ready.

As I got more and more turned-on, I felt the tip of it get moist – I knelt up and parted her cheeks wide with my palms, then let my pre-cum drip all over her puckered pink arsehole.

Then I asked her if she would really let me do whatever I liked. She said yes, and I told her I was going to fuck her up the arse.

I felt her body tense up. Although I knew she liked the idea – when we talked dirty to each other in bed, she sometimes told me her fantasies about taking a cock up the bum – whenever I suggested taking it further, she'd always wriggle out of it, telling me to just fuck her.

I got the tube of lubricant Jess uses to help her take her biggest dildos, and squeezed a massive, cold blob of it right over her arsehole. I went around the front of the bed so she could see me slathering more all over my cock – right in her face – then I went back behind her and gave her one last chance to back out. She didn't so I told her to brace herself.

I slid my prick inside her cunt and eased a finger up her bum. I fucked her for a while like this,

pumping my prick and finger in and out of her holes so they slid with or against each other through the fleshy dividing wall.

That wasn't enough for her, though. She said she wanted to feel my cock up her bum. I took it slow – I knew she was groaning and gritting her teeth as I gently stretched her open, feeding my helmet past her tight hole, but she was well-enough turned on and lubed to take me, and I just writhed and ground on top of her, buried in

deep and reaching under to play with her nipples, until I felt her muscles tighten, and she came with a big sigh.

I fucked her for ages and my cum felt like it was building up forever, before, finally, I emptied my balls deep in her arse for the very first time...

Jake, Salford.

MORE
THAN MEN!**

A top 10 Adultwork escort, sultry swinger and vagina-virtuoso, our new nymphomaniac columnist Tiffany Snow knows that women leave men in the dust when it comes to sex drive...

I've found that the most common sexual fantasy for women is group sex. Our ability to take on multiple partners in all our holes and only seem to get hornier and hornier always amazes me.

I delight in introducing new girls to their first group sex experience. It's difficult to explain why, but I can only assume the pheromones and testosterone produced by a large number of naked men becomes intoxicating to us women as I have seen it turn the most reserved of women into sexually insatiable nymphs!

For example, I recently organised a sex party with a friend. She married at 20 and

was now separated just a year later, having intimately known only two men her whole life.

Having being cheated on and left by her husband, I think she wanted to get her own back, so she agreed to join me at the sex party I organised with some hot swinger guys.

She looked a little nervous at first but was soon fucking and

I crave cocks more and more until I can fit two in my pussy and suck on three with my mouth

Hello, my name is Tiffany Snow and I'm a sex addict!"

That sounds like I'm introducing myself at a meeting of Sex Addicts Anonymous but I certainly don't want treatment for my nymphomania!

There is an abundance of sexy, horny women just like me whose love of cock and all-round naughtiness is so strong that it's perfectly possible for guys like you to be having disgracefully filthy experiences with hot-looking women like me. Who knows – maybe even with me personally!

So having been asked by the Ed to share some of my sexual escapades with you I can tell you that I first began my sexual career as an "escort" just three years ago, when I was 18.

It's really just an extension of my social hobby of swinging. In that short time I have had sexual shenanigans so outrageous that if it wasn't for the fact I was there and have the photos to prove it, even I wouldn't believe some of them!

There is a common perception that men want sex more than women but I have found that the opposite is true! I have worked and played with over 100 girls, from porn stars to single mothers, married women (who may or may not have told their partners) to police officers, lawyers and doctors – people you'd never think liked to be gangbanged by 30 guys! So this idea of women not being as sexual as men is simply untrue – you just need to catch us in the right situation to release our inner slut.

sucking like a champion and I was worried she was going to take all the cum loads herself – the greedy bitch!

I think when a woman gets the taste of a rock hard dick in her mouth the sexual smell releases something instinctual in our brains that tells our bodies to get good and wet and that the more cum and cocks we can get the better. Time and time again I've seen women in a pure state of ecstasy while at the centre of a 20 to 30 hard-dicked throng of masculinity.

Personally, with each pulsing orgasm I get out of a guy, the more my body responds to the smell and taste of cum over my face and body and in my mouth, causing me to get wetter and wetter, craving cocks more and more till I can quite easily take two cocks in my pussy whilst sucking on three with my mouth.

My friend loved the party and was so pleased with herself that she didn't mind that she'd been

massage zine
soothing aloe

transformed from beautifully made-up sexual seductress to cum-splattered, make-up smeared cock-hungry whore in less than an hour.

So just remember that women from every background, age group and race can be turned in to cock-loving sluts simply by being surrounded by enough pricks to produce an intoxicating instinctive desire to fuck and suck all those men dry!

GROAN
GROGER!

It's tarty party time round at Jessica's and you're invited – access all areas. She's laid on everything you need to get a do going with a swing – wine, cake, phallic-shaped groceries, er, binoculars. Because if eye-boggling Jessica, a 25-year-old office manager from Hartlepool, is top of the props, she's also a pervy voyeur who gets off watching the guys in the opposite whack themselves off. "They're all at it, students, married blokes, old geezers, having a party in their pants! I've invited them all tonight to have a party in mine!"

Unfussy hussy

Last summer I helped clear an overgrown garden for Janey, your typical bored, sexually frustrated housewife. I caught her ogling me through the window a couple of times and played up to it, taking off my T-shirt so she could get a good look at my muscles.

and starting to wank herself. I shrugged off the robe and just sat there, naked, with my fist wrapped around my cock.

She stood in front of me, and I bowed my head so my face was level with her crotch. She smelled so sexed-up I reckoned she must have been wanking herself all the time I'd been in

prick to smear her lips with pre-cum, groaning as her tongue flicked out to lap at my helmet.

This was easily the best blowjob I'd ever had. What she did with her lips and tongue, and the way she used her fingers to roll my balls around inside my

my fingers to hold her pussy lips apart. I love watching as my cock goes into a woman the first time – I like to use my knob to give a woman's clit a good rub, then skim my prick down until it finds her opening and sinks right inside her warm hole. I humped her hard and started sucking on her tits, which was enough to bring her off.

I pulled out and used the tip of my

sack... it was amazing.

I saw my spunk blast out and hit the back of her throat before she swallowed the lot.

The rain didn't let up for the entire morning, and by the time it blew over, I was literally shagged out.

Next day I came back hoping for an encore but her old man was home – my balls were turning blue by the time I got back to my own place!

Harry, Notts.

I RUBBED MY DICK ON HER CLIT THEN SANK IT INTO HER WARM HOLE

One morning it started pissing down with rain. I ignored it, thinking it would clear any second. By the time I realised it wasn't going to, I was soaked to the skin. Janey insisted I come in for a cuppa, then lent me her husband's bathrobe while she tumble-dried my clothes.

She was lounging around in a dressing gown too and, as we talked, she let it fall slightly open, enough so I'd see she was starkers underneath it. No way could I stop staring and the thrill, as well as the sight, soon had me tenting the front of hubby's bathrobe.

Janey wasn't slow to notice and looked at me, smirking, before opening her legs wide

the garden. I treated myself to a little taste of her slit. It was just the slightest touch of my tongue, but it sent a shiver right through her body.

When I really got going, it drove her crazy – she pulled my face right in between her thighs, grabbing handfuls of my hair as I drilled my tongue in deep. After just a couple of minutes we had to hit the bedroom.

I'll confess to a twinge of guilt, but if she wanted to play away I wasn't going to deny her a bit of cock. I slapped my hard-on against her face, but she told me she wanted fucking – she'd rather finish me off with her mouth later.

I spread her legs as wide as they would go, then used

SATURDAY!**

We all live for the weekend, but there's no lie-in for Bonnie on a Saturday. Her fella works night shifts all week in the casualty department of a London hospital and Saturday morning is earmarked for erotic activity only! "I'm sex starved most of the week so my Saturday starts with an invigorating shower with my fella. After a nice soapy tit wank and a spot of cunnilingus from him in return, we get down to the main event. I'm so wet and horny by this time as he spreads my legs for a marathon of good hard fucking. My record is twelve orgasms in one eight-hour sex shift – so far!"

REAL WIFE SEX

Caroline's story continued from page 19

a bit down and dirty on the dance floor, a mate of his got in behind me. I thought he was having a joke and that his mate would tell him to sod off, but he was pretty fit and when I was all over the pair of them they seemed to like it.

I ended up with one bloke's hard-on grinding up against my arse, and the other's digging in my hip as we snogged with my tits squished up against his chest.

They weren't up for coming back to mine – so we headed for a discreet

get down to it and he could toss of while he watched. That wasn't actually being unfaithful. His missus might have disagreed, but it was good enough for him.

Wayne wanted sucking, but I wanted more. I got him to put his jacket on the floor and lay down on it, and then I straddled his prick. I hiked my skirt up to give him a flash of my red silky panties, then I pulled them sideways and put him in my cunt.

nobody'd split on him.

Now I just sat down hard on Wayne's prick, taking it deep and using my fanny muscles to tease it. I circled my hips, and as my boobs quivered, Jon spanked his cock against them, splashing pre-cum on them. Remembering what Tom had done, I used Jon's cock to gloss my nipples before raising them up to my mouth to lick clean.

Wayne was now getting closer to cumming, lost in

stairwell. I started kissing the first lad, Wayne, only for his mate, Jon, to say he wasn't sure about this. I saw his left hand – it looked like he'd been wearing a wedding ring not long before.

I didn't want him to go, and so I suggested maybe Wayne and me could

I gave him a good, hard ride, let him pull my tits out of my top for a play. I think the sight of it hit Jon harder than he expected, he looked like he was regretting saying he'd just watch. His hand was moving in a blur and now he stepped forward. I straightened up and told him to have a little play with my tits,

fucking me, hands grabbing my arse to hold me firmly on his shaft. "Let's see you cum," I said to Jon. He made one final, unconvincing effort at trying to be faithful, then stuck his prick between my boobs, fucking furiously in and out before pulling out again. Then his fist blurred once again before he spunked all over them.

If Wayne didn't see that, he certainly saw me have a play with my knockers, shoving them together then letting them bounce apart, little threads of spunk

connecting between them. I did this right in his face until his hips started bucking under me, and he emptied his balls up my hole.

I told him if he watched us fuck and tossed off, that wasn't unfaithful

I'm still not superstitious, but I've noticed any time I wear red, I get more male attention. I don't care either way – it's just good to know that any time I need a bit of cock, the means to get it is in my wardrobe and make-up bag! 📸

KIRSTY

Kirsty's thirsty! In fact the girl has a raging horn for spunk and the look she's giving us tells us we might be next on her hit list if her fella doesn't turn up soon. "When I spread my legs for strangers, it doesn't half get me gagging for it!" she sighs. "I've always liked to act the slut in my home town Enfield, but now I can do it with the whole country in Escort! Oh, here's my boyfriend. Do hurry up, I need a nice hard on right now!"

He fucked me long and slow, sucking and nuzzling my neck and snogging me deep, his tongue fucking in and out of my mouth just like his cock was thrusting in my cunt. Still tender from

Face fuck

Recently I got in touch on Facebook with an old schoolfriend James who I'd had a crush on at 12, although he had never shown interest and had picked on me a bit. He looked pretty sexy now and within an hour of hooking up we were snogging on his doorstep.

If he'd learned one thing over the years, it was how to eat pussy. He hooked his thumbs between my labia, pulling them apart, stretching my pussy wide open. At first he just blew cool air – then breathed hot air – against my clit and slit, before plunging his tongue deep inside me.

His fingers felt over my clit, finding where I like it touched – I bucked my hips against his face when he hit the spot

and, as he started circling with his fingertips, I ground hard against his mouth. In just a few minutes I felt my pussy tighten up – even I couldn't bring myself off that quick – and then my inner muscles started to pulsate around his tongue as it probed in even deeper.

James moved up to lie next to me, using his fingers to milk as much as he could out of my orgasm. As I lay in a daze he whispered to me that he'd only picked on me in the old days because he'd fancied the arse off me and hadn't had

cumming, I rubbed my clit against his hairy crotch, bringing myself back to the edge. "Nice and hard..." I said, writhing under him, moving my hips a bit forcefully. He started ramming in, just as deep but faster, until I orgasmed again, clenched tight around his shaft.

He hadn't yet cum but just stretched out

running up to check I was all right, obviously feeling awful. Still, he hadn't really had any choice: if he'd swerved he'd have run into another car.

He offered me a lift home and the poor sod looked so guilty as we drove along I burst out laughing. "No hard feelings, honest," I said as we got to mine, and I asked him in for a cuppa to prove it. Well,

the bathroom. He followed and a minute later we were standing under the shower together, rubbing up and snogging the face off each other. I asked him if he would scrub my back while I washed my hair and, when he'd worked his way down,

HE CAME, HIS BIG COCK SLAMMING INTO MY TINGLING SPASMING CUNT

that's what I told myself – I actually thought he was pretty cute.

I didn't mess about. I sat him down with his tea then said I'd better have a shower. Then I stripped off my wet clothes, right there in front of him, turned on my heel and walked through to

he spent ages soaping my arse. I backed right up against him, rubbing him with my bum, feeling his hard-on dig into my back. Then I felt it against my belly as he spun me around, snogging me again as his fingers slipped into my crack and he pulled my arse cheeks apart.

He fucked me, squeezing my arse cheeks tight in his hands, jiggling me up and down on his prick. Then he braced my back against the tiled shower wall, so he could really screw in deep and hard. I was just hanging on,

puddle near the stop, totally soaking me to the skin. Luckily the arsehole driving it wasn't actually an arsehole. He stopped and came

over me, his cock still hard inside me as he sucked and fingered my nipples, stringing out my orgasm even longer. Then he started fucking me

inside me right up to the balls and shot his load, several loads of his spunk spurting out of his bunched up balls to flood my pussy.

HE FRIGGED MY CUNT AND ARSE MERCILESSLY UNTIL I CAME AGAIN

again, somehow managing to hold himself back for ages until, finally, he buried himself

When I told him that he wasn't bad for an ex-spotty bastard, he pulled me over his knee, not believing I'd meant it as a compliment. He didn't spank me, though – he slipped a finger up my arsehole and a thumb up my cunt, and frigged me mercilessly until I came again – hardly a punishment in anyone's book.

Things never got too serious but we both had a lot of fun together!

Tog roast

For a birthday present, I'd arranged for a photographer to take some sexy photos of my wife Danni in his studio.

I didn't know how she would react to a complete

bed and started to fuck her. I was so turned on by her slutty behaviour in front of Steve.

She was loving it, moving from one position to another while I fucked her like a madman. All the time Steve was clicking away on his

camera. Suddenly she stopped, looked me in the eye and asked if Steve could join in. I was so turned on I just agreed. She couldn't wait to have his

HE ERUPTED, FLOODING HER WITH CREAM

She walked in nervously, but the photographer Steve made her feel very at ease. He was a good-looking black guy. By the time I arrived he had Danni posing almost naked.

I was aroused by watching her perform in front of a total stranger.

Steve asked Danni if she'd do some naked shots. She looked at me and must have guessed I was enjoying the show. She just turned away, bent over and peeled off her G-string.

I couldn't believe my eyes and my cock was rock-hard. She lay back on the bed and started playing with her wet pussy. She told me to pass her handbag and pulled out her black vibrator.

She started sucking it and I could wait for the horny bitch no longer. I went over to the

She was back sucking our cocks within minutes. We went on to fuck her together in every way possible.
